Advances- Loans- Hospet Taluk- Muddapuram village- Agl 23/1329 and Agl 26/1334- arrears- irrecoverable- write off- proposals.

One Talari Gidda Venka of Muddapur village, Hospet taluk, was granted two loans as specified below:-

No.	Amount advanced.	Lands Hypothecated.	Rate of interest.
A1.26/1334	Rs 200/-	S.Nos.142A, 42A, 140, 295	7½%
A1.23/1329	Rs 250/-	210A, 108D	6½%

1311-126 (F)

2. The borrower having died, the instalments fell into arrear and summary recovery of the entire unpaid balance was therefore ordered. To realise this, the hypothecated lands were attached, and brought to sale for the first time in 1927. The sales fetched low bids, and resales of the two sets of lands were therefore ordered to be held on 5-3-1928 and 12-6-1928. S.No. 42A fetched Rs.130/, and the sale was confirmed by the Revenue Divisional Officer. The remaining lands fetched no bids, and a resale was ordered for the 3rd time. This was held on 15-10-1928. The sale of S.Nos.140, and 142A fetched low bids of Rs.20/ and Rs8/ respectively, while the other lands fetched no bids at all. All the sales were therefore cancelled and another resale ordered for the 4th time to be held by the Tahsildar himself. The sale was posted for 20-8-30. This also proved fruitless (and the

lands had to be bought in by Government as they fetched no bids. In view of so many sales held successively from 1927 onwards with either low bids or no bids at all, it seemed not worth while trying any further resale. The namakartham sale of S.Nos. 142A,140,295,210 and 108D was therefore confirmed by the Revenue Divisional Officer. Besides, S.No. 115C a non-hypothecated land belonging to defaulter Gidda Venka was also attached and brought to sale. This fetched only Rs.2-8-0, and its sale too was confirmed by the Revenue Divisional Officer.

3. The amount so for realised by sale of the hypothecated and other lands is detailed below:-

S.No. 42A	Amount realised	Rs130/
S.No.115C		Rs.2.8.0.
	Total	Rs 132-8-0

As there was a land revenue arrear of Rs.107-2-0 outstanding payment on the hypothecated lands, this amount was adjusted from the above amount realised by sale of the lands. The balance still outstanding against the two loan orders after effecting the adjustment is Rs. 301-4-5 exclusive of interest. This amount has to be treated as irrecoverable and written off the accounts as there is no other property either moveable or immoveable belonging to the defaulter to be proceeded against.

4. S.Nos. 42A,140,142A and 295 were valued Rs.500 at Rs 50/- per acre, and S.Nos.210 and 108D Rs.300/- at the time when the loans were granted; but I do not think the officers who made the valuations can be charged with carelessness. The borrower died and the lands having been left waste for a number of years and suffered deterioration. Also in the last three or four years owing to bad seasons and the general fall of prices there has been a fall in the value of land all over this district. In the circumstances I request that the sum of Rs.301-4-5 outstanding against the two loans may be written off the

the accounts as irrecoverable.

5. The connected loan and land sale records are submitted for favour perusal and return.

For Collector.
